ANTI-DEFAMATION LEAGUE

For a number of years a tendency has manifested itself in American life toward the caricaturing and defaming of Jews on the stage, in song pictures. The effect of this on the unthinking public has been to create an untrue and injurious impression of an entire people and to expose the Jew to undeserved contempt and ridicule. The caricatures center around some idiosyncrasy of the few which, by the thoughtless public, is often taken as a pivotal characteristic of the entire people.

The evidence of prejudice and discrimination has been abundant, both in social and in business circles, as well as in public life. All fair-minded citizens must regret the growth of this un-American sentiment. The prejudice thus displayed by no means reflects the attitude of the thinking, intelligent majority of our citizens, but is limited to an ignorant, unreasoning and bigoted minority. For many years the Jewish and non-Jewish citizens have failed to meet this tendency by any means save quiet criticism. But the tide has been rising until it calls for organized effort to stem it.

Regrettable as it is, this condition has gone so far as to manifest itself recently in an attempt to influence courts of law where a Jew happened to be a party to the litigation. This symptom, standing by itself, while contemptible, would not constitute a menace, but forming as it does but one incident in a continuing chain of occasions of discrimination, demands organized and systematic effort on behalf of all right-thinking Americans to put a stop to this most pernicious and un-American tendency. Prejudice is the child of ignorance. It knows no bounds, respects no individual, and violates the most sacred tenets of our democracy.

With the hope that the co-operation of both Jewish and non-Jewish citizens will be received in this effort of fair play for all people, the ANTI-DEFAMATION LEAGUE OF AMERICA has been formed under the auspices of the Order of B'nai B'rith.

OBJECT: The immediate object of the League is to stop, by appeals to reason and conscience, and if necessary, by appeals to law, the defamation of the Jewish people. Its ultimate purpose is to secure justice and fair treatment to all citizens alike and to put an end forever to unjust and unfair discrimination against and ridicule of any sect or body of citizens.

ORGANIZATION: Any reputable person, regardless of sex or creed, may become a member by signing a membership card. No membership fees nor dues shall be charged. A central office has been created in the City of Chicago, with a competent office force. All communications or complaints should be addressed to Mr. Sigmund Livingston, 722 First National Bank Bldg., Chicago, Illinois.

Stage defamations will be dealt with by enlisting the assistance and co-operation of the producers and managers of the theaters, so that investigation of proposed performances may be made before the staging of the same, thus correcting evils before any harm is done. If the co-operation of those in authority cannot be secured, then the patrons of the theater will be enlisted for active co-operation.

Newspaper and magazine defamations will be met by protest to the editor, by correcting all defamations through subsequent articles upon the same subject matter, thereby reaching the same reading public and correcting errors; and in case of willful abuse, by appealing to the patrons and advertisers for co-operation.

Defamation in textbooks which pervert the minds of children and tend to prejudice, will be met by attempts to eliminate them from the course of study.

No effort will be made by this organization to shield any malefactor. In founding this League, the Order of B'nai B'rith pledges its hearty support in the future, as it has done in the past, to the enforcement of law against all violators, Jew or non-Jew.

A committee of one hundred citizens, residents in the various cities throughout the United States, has been selected to perfect the organization and to carry out its objects.

(Signed) ADOLF KRAUS, President.
