STATE MAY OPPOSE PLANS OF THE DEFENSE

Detective Burns Still Out of City—Expected to Return in Few Days.

It is likely that a strong fight will be made against the proposed effort of the defense for Leo Frank to amend

the motion for a new trial, which will be made some time this week.

Solicitor Dorsey has been notified of a large number of grounds that will be contained in the motion, and, it is said, he will oppose vigorously the proposed move of the defense to make further amendments to the application at the time of its presentation to Judge Ben Hill.

Detective Burns had not returned to the city yesterday. It was stated by his lieutenant that he would probably not come back for several days. It was also said that Burns is likely to make his report on his investigation immediately upon his arrival.
