DIID STEEL TRUST SAVE SOUTH'S COTTON CROP?

President Farrell, of U. S. Steel Corporation, Says It Is an Industrial Benefactor

NEW YORK, May 13.—James A. Farrell, president of the United States Steel corporation, issued the witness stand today for the defense in the hearings of the government suit to dissolve the corporation. He testified the corporation is an industrial benefactor.

He said that what is not for the sake of the corporation is to a general business regarding conditions of the cotton crop of the United States this year could not be marketed. He explained that the corporation acquired practically all the cotton in use for spinning and that there was no profit to their manufacturer.

WHEN AND WHERE PRESBYTERIAN ASSEMBLIES WILL HOLD SESSIONS

Northern, Southern and United Churches Will Each Hold Separate Conference, and at Night They Will Unite in Big Gathering at Auditorium—Meetings Will Continue Until All Business Is Concluded

Atlanta, the Presbyterian stronghold of the south, this week and next week, will be the host of the greatest meeting of Presbyterians in the world's history. For the first time the assemblies of the United States of America, the United States and the United Presbyterian churches are meeting in the same city on the same date.
