PHAGAN THEORY IS UNCHANGED AFTER THREE WEEKS' PROBE

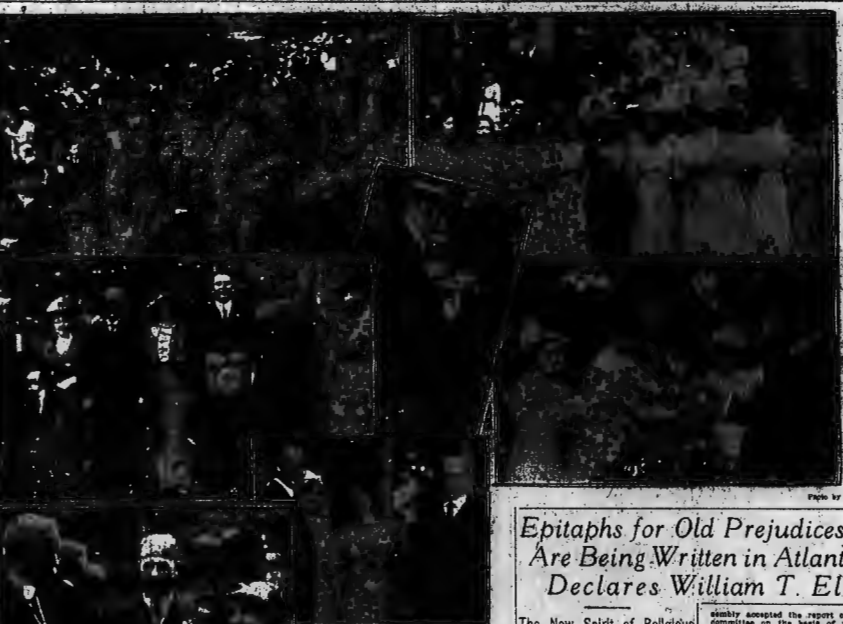

Most Searching Investigation Ever Conducted in a Criminal Case in Georgia Brings No New Developments

STATE WILL STAND BY THEORY AS OUTLINED

Fund to Pay Detective Burns Is Mounting—Greeks Sent in Subscription Saturday. Grand Jury Acts Soon

The most for the murder of Mary Phagan has now been in progress for three weeks. Never before has there been such a thorough, exhaustive and efficient probe made of a crime committed in this state and now the evidence is back to the theory which the detective has claimed since a few days after the crime that the murderer of the young girl was a white man. In the three weeks which have elapsed since the murder, a large number of persons have been interviewed and the body of a white woman in the basement of the house in which the crime was committed has been found. The body was found in the basement of the house in which the crime was committed. The body was found in the basement of the house in which the crime was committed.
