MRS. FRANK ATTACKS SOUTHERN LEAGUE

NEW STATEMENT

Solicitor General Hugh M. Dorsey refused late Saturday afternoon to make reply to the reiterated accusations of Mrs. Leo M. Frank that "torture chamber" methods were made use of by the state to secure evidence from witnesses.

"I have had time to read Mrs. Frank's statement fully," declared Mr. Dorsey, "and even though I did read it, I do not know how to reply to it."

Mrs. Frank's second letter was made public Saturday morning and is as follows:

Editor Atlanta Georgian: I think fairness to Mr. Frank requires that the public should understand Mr. Dorsey's position as stated by him in his card in the Constitution of June 6, and repeated in the papers yesterday, in reply to my statement that he proposes to use testimony which comes from witnesses as the result of torture.

His real position, as gleaned from his card, can be stated in the following sentence which he employed:

"That is to say, he thinks it unnecessary to waste time in disputing the fact that the detectives are procuring testimony from witnesses by torture. He considers this point immaterial. He believes he is thoroughly justified in using tortured testimony, if it is turned over to him, for he says: 'I welcome all evidence from any source.'"

No Charge Against Woman

The Journal and The Constitution stated that he had had my cook arrested and carried to his office and quizzed with such an extent as to drive me into hysterics, and that after this he sent her screaming to the Police station in the patrol wagon. After she left his office she was taken to the detective's Torture Chamber, and according to The Atlanta Constitution, she there had the third degree applied to her to the point of exhaustion, after which she made an affidavit, which the detective, or someone, immediately gave out to the papers.

The Solicitor had no charge against this cook and did not suspect her of any crime. Yet Mr. Dorsey waives this aside as a trivial matter, not worthy to be discussed by him, because he says: "I welcome all evidence from any source," which implies that he will take it from the torture chamber if it is offered to him.

That he and the detectives violated the criminal law in arresting my cook when they had no charge against her and when they suspected her of no crime, I am told by lawyers, admits of no doubt. But this, Mr. Dorsey thinks, need not be discussed by him.

Thinks Public Is Opposed

While Mr. Dorsey thinks all this entirely proper, it is the next thing to an impossibility to believe that many persons in the community will agree with him. Indeed, I would be surprised if a single person could be found who would agree with him. There should be a man in the newspapers, torture chamber testimony to take away a man's life.

When Mr. Dorsey introduces this third-degree evidence to the jury, can it be supposed that he will at the same time tell the jury that it comes direct from the torture chamber?

I know I can not keep up with all the false affidavits and false news papers and innuendos that have been so industriously put in the newspapers, but I feel that I should call attention in this instance to Mr. Dorsey's position, which he so boldly justifies. ABB LEO M. FRANK.

Defense Bends Efforts To Prove Conley Slayer

The defense of Leo Frank against the charge of murdering Miss Phyllis Hensley, says that the defendant was not a mere accomplice in the murder, but that he was the slayer of the girl's body. The defense will try to show that the defense believes itself abundantly prepared to take care of itself along that line.

An ironical alibi, covering all the time stated in the Conley statement with a substantial margin of time to spare will be set up by the defense. In addition to this it will be shown

Captain Keene Hurt; Out of World's Polo Championship Games

MEADOWBROOK, N. Y., June 7.—Fossil Keene, captain of the newly selected American polo team, broke his collar bone in a practice session today. The injury to Keene means that he will not be able to participate in the international polo matches which are to take place here on June 10, and Harry Payne Whitney, captain of the old team, no doubt will take his place.

Chicago Bakes at 91, Then Shivers at 42

CHICAGO, June 7.—Following a day of intense heat, when the mercury reached 91 degrees, Chicago today had a drop of 49 degrees in less than 24 hours.

Militant Injured At Derby Is Dying

Special Cable to The Atlanta Georgian. LONDON, June 7.—Miss Emily Davison, the suffragette militant, is attempting to stop the Derby, was in a critical condition today. Doctors say her case is hopeless. Word has been sent to her family that she is beyond hope if they expect to see her alive.
